

CONTRIBUTORS

DR. IBRAHIM ABDEL GELIL

Academic Chair of Sheikh Zayed Bin Sultan Al Nahayan at the Arabian Gulf University (AGU) in Bahrain. He was the CEO of the Egyptian Environmental Affairs Agency (EEAA), and the chairman of the Egyptian Organization for Energy Planning (OEP). He authored and co-authored around 70 publications on energy and environment.

MAHER AZIZ BEDROUS

Board Member of the Mid-Delta Electricity Production Company (MDEPC) and the Senior Counselor for Environmental Sector of the Engineering Consultants Group (ECG). He was Under Secretary of State for Energy and Environmental Affairs, Ministry of Electricity & Energy (MoEE). Member of the Egyptian Delegation to the UNFCCC negotiations during 2000-2010. He is the author / co-author of more than 15 books and over 85 publications on Energy, Climate Change, Environment and Development. He has conducted numerous projects and ESIA's for power, infrastructure and energy.

DR. FARID CHAABAN

Chairman of the electrical and computer engineering at the Faculty of Engineering and Architecture at the American University of Beirut (AUB). He was the Dean of the College of Engineering at Dhofar University, Oman, between 2007 and 2010. He is the author/co-author of a European patent and over 65 publications in international journals and conferences. He has conducted numerous projects with local and international organizations such as UNEP, UNDP, METAP, AFED, and ESCWA on issues related, amongst others, to the energy sector sustainability.

DR. HAKIM DARBOUCHE

Research Fellow at the Oxford Institute for Energy Studies. Senior Associate Member of St Antony's College, Oxford and serves as a Region Head on the MENA Desk at Oxford Analytica. He has authored and co-authored numerous publications on MENA gas markets and North African energy issues.

DR. SHIHAB ELBORAI

A Senior Associate with Booz & Company and a member of the firm's energy, chemicals, and utilities practice. He has over 11 years of consulting and industry experience, concentrated in the energy and utilities sector. He has led assignments covering business and regulatory strategy, organizational restructuring, and efficiency improvement in the electricity and natural gas sectors.

DR. TAREQ EMTAIRAH

Executive Director of the Regional Center for Renewable Energy and Energy Ef-

iciency (RCREEE) in Egypt and a senior researcher at the International Institute for Industrial Environmental Economics (IIIEE) at Lund University, Sweden, where he carries out applied research and training on resource efficiency, cleaner production, and industrial environmental management. He was the developer and coordinator of Wafeer, a public-private initiative for efficient water management in the industrial estate of Jeddah, Saudi Arabia.

DR. BASSAM FATTOUH

In addition to his role as Director of the Oil and Middle East Program, Bassam Fattouh is Research Fellow at St. Antony's College, Oxford University; and Professor at the School of Oriental and African Studies. He has published articles on the international oil pricing system, OPEC pricing power, security of Middle Eastern oil supplies, and the dynamics of oil prices and oil price differentials. Recently, he served as a member of an expert group established to provide recommendations to the 12th International Energy Forum (IEF) Ministerial Meeting in Cancun.

LAURA EL-KATIRI

Research Fellow at the Oxford Institute for Energy Studies and Teaching Fellow in the Department of Financial and Management Studies at the School of Oriental African Studies, University of London. El-Katiri's research focuses on energy and economic policy in the Middle East, with particular focus on the Gulf economies. She has published widely on the management of resource wealth, and oil and natural gas-led development strategies.

CHRISTINE LINS

Christine Lins is Executive Secretary of REN21, the Renewable Energy Policy Network of the 21st Century. REN21 is a global public-private multi-stakeholder network on renewable energy regrouping international organizations, governments, industry associations, science and academia as well as NGOs working in the field of renewable energy. REN21 has its headquarters at UNEP in Paris/France. Between 2001 and 2011, she served as Secretary General of the European Renewable Energy Council, the united voice of Europe's renewable energy industry.

LILY RIAHI

Policy advisor at the Renewable Energy Policy Network for the 21st Century (REN21) and the United Nations Environment Programme (UNEP). She has close to a decade of consulting experience and has managed numerous projects with local and international organizations on the topic of renewable energy. Riahi is an author of the MENA Renewables Status Report jointly produced with IRENA, REN21 and the UAE. Ms. Riahi was involved as a researcher in the founding of the International Renewable Energy Agency (IRENA).

DR. HANS-HOLGER ROGNER

Affiliate Professor, Royal Institute of Technology (KTH), Stockholm, Sweden and Guest Scholar at the International Institute for Applied Systems Analysis (IIASA) in Laxenburg, Austria. Until his retirement from the International Atomic Energy Agency (IAEA), he directed the IAEA program on Capacity Building and Nuclear Knowledge Maintenance for Sustainable Energy Development. He has served the Intergovernmental Panel on Climate Change (IPPC) in various capacities since 1995.

TAREK EL SAYED

Vice president at Booz & Company and a member of the firm's Energy, Chemicals and Utilities practice. El Sayed over ten years of consulting experience in the US, Europe and the Middle East, and focuses on the topics of Climate Change and Renewable Energy. He also leads strategy and organization projects for utilities and large infrastructure developments.

DR. ADNAN SHIHAB-ELDIN

Director General Kuwait Foundation for the Advancement of Sciences (KFAS). Former Acting Secretary General and Director of Research at OPEC Vienna (2001-2006). Board Member/Advisor to several international institutions & corporations. Served earlier as Director within Technical Co-operation Department IAEA Vienna (1999-2001); Director of Regional Office - Science & Technology UNESCO Cairo (1992-1999); and as Director General KISR Kuwait (1976-1986). Shihab-Eldin received PhD in Nuclear Engineering from the University of California – Berkeley.

ROMAIN ZISSLER

Researcher at the Renewable Energy Policy Network for the 21st Century (REN21) in Paris. He co-authored the Middle East and North Africa Renewables Status Report, and actively contributed to the Renewables Global Futures Report. He also took part in research activities dedicated to the deployment of renewable energy in Japan at the Institute for Sustainable Energy Policies in Tokyo.

EDITORS

DR. IBRAHIM ABDEL GELIL

Academic Chair of Sheikh Zayed Bin Sultan Al Nahayan at the Arabian Gulf University (AGU) in Bahrain. He was the CEO of the Egyptian Environmental Affairs Agency (EEAA), and the chairman of the Egyptian Organization for Energy Planning (OEP). He authored and co-authored around 70 publications on energy and environment.

DR. MOHAMED EL-ASHRY

Senior Fellow at the UN Foundation. He previously served as CEO & Chairman of the Global Environment Facility (GEF). Prior to joining the GEF, he served as Director of the Environment Department at the World Bank, as Senior Vice-President of the World Resources Institute, and as Assistant Professor of Geology at Cairo University. He also served as Chairman of REN21 and a member of several high-level international commissions and has received a number of awards, including the 2006 Champions of the Earth Award. He is a member of the Boards of WWF, AFED, RFF, and REN21.

NAJIB SAAB

Publisher and Editor-in-Chief of Al-Bia Wal-Tanmia (Environment & Development), the leading Arabic magazine on sustainable development, and Secretary General of the Arab Forum for Environment & Development (AFED). Architect, university lecturer and writer, he is a 2003 laureate of the United Nations Environment Programme's Global 500 Award and the 2011 laureate of Sheikh Zayed International Prize for Environment. He co-edited AFED Annual Reports for 2008, 2009, 2010, 2011 and 2012.

SUPERVISORY COMMITTEE

Members of AFED Board of Trustees

Dr. Abdulrahman Al-Awadi, Executive Secretary of the Regional Organization for the Protection of Marine Environment (ROPME) and former Minister of Health in Kuwait.

Dr. Adnan Badran, President of Petra University and former Prime Minister of Jordan.

Dr. Mostafa Kamal Tolba, Former Executive Director of UNEP, Founding Chairman, AFED Board of Trustees.

Dr. Adnan Shihab-Eldin, Director General, Foundation for the Advancement of Sciences (KFAS).

Khaled Irani, President, Royal Society for the conservation of Nature, Former minister of Energy and Environment, Jordan.

PARTICIPANTS IN CONSULTATION MEETINGS AND REVIEWERS DURING THE PREPARATION OF AFED REPORT IN: KUWAIT (ENVIRONMENT PUBLIC AUTHORITY, 2 MAY, 2013) AND BAHRAIN (ARABIAN GULF UNIVERSITY, 7 MAY 2013), OXFORD, UK (OXFORD INSTITUTE FOR ENERGY STUDIES, 17 MAY, 2013).

(In alphabetical order)

Dr. Ibrahim Abdel Gelil (Arabian Gulf University), Mr. Mahmoud Abdel Rahim (KFAS), Ms. Hoda Al-Munayes (EPA – Kuwait), Dr. Jasem Besharah (Abdulaziz Al Sagar Training Center), Mr. Richard Andrew James Cooke (Petrofac), Dr. Leila Dagher (AUB), Dr. Hakim Darbouche (Oxford Institute for Energy Studies-OIES), Dr. Tareq Emtairah (RCREEE), Dr. Lana El Chaar (General Electric - GE), Mrs. Laura El-Katiri (OIES), Mr. Michael Farina (GE), Mr. Bill Farren – Price (Petroleum Policy Intelligence), Dr. Bassam Fattouh (OIES), Mr. Cyrille Jabbour (Sukomi SAL), Mr. Richard Mallinson (Energy Aspects), Mr. Douglas McDonald (GE), Dr. Salah Modhi Al-Modhi (Environment Public Authority – Kuwait), Mr. Jamil Mroue (COP18- Qatar), Dr. Holger Rogner (IAEA), Mr. Najib Saab (AFED), Dr. Abdul-Karim Sadik (Kuwait Fund for Arab economic development), Ms. Rosalyn Saab (University College Utrecht), Dr. Fuad Siala (OFID), Mr. Peter Stewart (Interfax Europe Ltd.), Bashar Zeitoun (Consultant) and Dr. Waleed Al-Zubari (Arabian Gulf University).
